In the words of Mr. Tugrul Tokgoz, the company's CEO: **"The company is a shipping company who is not only having a modern fleet, but also a well managed fleet that is respected by charterers, insurers, owners of cargo, port authorities and everyone involved in the maritime industry."**

Geden has developed over the many years of its operations, an excellent track record, reputation and image both within the local as well as the international shipping community. This is mainly due to the company has been committed in the shipping industry since **1975**; the management is skilled with many years of experience and has established long lasting contacts with a number of international first class charterers.

Geden operates a fleet of **49** vessels which includes 8 Suezmax Crude Oil Tankers, 9 Aframax Crude Oil Tankers, 2 LR1 Crude/Product Tankers, 7 37K DWT Ice Class 1A Chemical Product Tankers, 2 47K DWT Chemical Product Tankers, 5 Capesize Bulk Carriers, 15 Supramax Bulk Carriers and 1 Kansarmax Bulk Carrier; totalling to **4,534,862** DWT with an average age profile of **2.26** years.
